The Dog Lovers Festival is the must-attend experiential event in Australia for pet businesses and lifestyle brands.

In 2013 we launched Australia's first major dog-dedicated event and it's grown to become one of the largest festivals in the world committed to educating, entertaining and inspiring dog owners and future pet-parents.

Over 100,000 visitors are expected to attend across our upcoming Sydney, Melbourne and Brisbane Festivals with a combined digital and database (B2C and B2B) audience of around 1 million dog lovers.

Our visitors are not just passionate pooch enthusiasts, their beloved dogs are cherished family members. They are eager to learn more about their dog and to be the best pet-parent they can be whilst creating an environment that will enrich their life.

Visitors come to celebrate the unconditional love they share with their best friend and to spend a weekend immersing themselves in everything and anything related to these wonderful creatures.

Align your brand with Australia's leading and most exciting dog-inspired festival, then get set to experience the power of face-to-face marketing. No other event in Australia can provide your best salespeople with direct contact to such a large, lucrative and highly targeted audience.

We look forward to the prospect of working together to drive sales and grow your business alongside our award-winning Festivals.

Paws sincerely

2024 Brisbane Dog & Cat Lovers Festival

The much-anticipated return to Queensland is happening at the Brisbane Convention & Exhibition Centre on Saturday 9 and Sunday 10 March.

We are bounding back to the Sunshine State with our new multi-show format that has the Dog Lovers Festival running side by side with the Cat Lovers Festival over the same weekend (but in very separate venue spaces).

Queenslanders love the great outdoors, but they love their canine companions even more, so dog ownership has spiked over the pandemic years.

The Queensland Government estimates that over 40% of the 1.6m households in South-East Queensland own a dog, which equates to 3.8 million people living with around 650,000 pet dogs.

Around 70% of all people living in Queensland reside in South-East Queensland, which consists of Greater Brisbane, the Gold Coast and Sunshine Coast regions. The Brisbane Dog Lovers Show will be actively targeting dog owners from all these key regions but they will come from all across Queensland!

With massive growth in dog ownership and the fact that we have not run a show in Brisbane for over 5 years, we anticipate substantial growth in the volume of sales being transacted at the 2024 event compared to 2018.

Keen to reach South-East Queensland's most passionate dog lovers? Then you'd be barking mad to miss the Brisbane Dog Lovers Festival being held every two years.

So glad the Dog Lovers Show is back. It is my Christmas.

Why get involved?

Drive sales and spark new B2B relationships

You can't beat the effectiveness of face-to-face engagement and two-way conversation when it comes to driving sales. No other event in Australia can provide you with direct access to this many dog owners. Exhibitors transact large volumes of sales on-site at the event, but also experience an uplift in sales across their retail and online channels for months after each Festival.

It's also the best opportunity all year to network with key decisions makers from throughout the pet sector and we run a dedicated Trade Registration campaign to maximise the B2B connections made at the event.

Connect and engage with Dog Owners – no tyre kickers

Take part in other general public shows or broad-based pet events and your staff will need to screen every visitor to seek out the dog owners. If you're lucky 4 out of 10 visitors might be a prospect for your dog products and services.

But at the Dog Lovers Festival, you can be assured that virtually every visitor that walks past your stand either owns a dog or is looking to welcome a pup very soon. So, you are being connected with a highly targeted, receptive and passionate audience and only engaging with genuine prospects where you have a chance of converting a new customer.

And this in turn delivers more 'bang for your marketing bucks' and ensures every dollar spent at the Dog Lovers Festival is not wasted.

You couldn't ask for a better platform to get your product in front of – this is a world class show!"

- Adrian from Catlas

Why get involved?

Reach households about to welcome a dog

Our marketing strategy is committed to attracting people that are looking for a new dog, or have just welcomed a best friend into their household.

New and prospective dog owners need to embark on the process of deciding which products, services and brands they want for their new pooch including food, treats, toys, beds, insurance, training, accessories, their trusted vet and more.

By actively targeting and attracting these new and pre-puppy parents, we deliver the most lucrative, long-term clients for our Exhibitors that can become customers for the entire life of their dog. And this in turn helps generate a more positive return on your investment.

And as Australia's leading Dog Lovers Festival, visitors trust the brands taking part.

Turbocharge your digital and other marketing activities

Dog owners love talking about their dogs with other dog lovers – at their local park, at the vet, with friends and family, walking down the street and especially at our Festival.

If your marketing mix does not include a strong element of face-to-face then you risk losing touch with your potential and existing customers. One face-to-face interaction is more powerful than 10 phone calls or 1,000 website impressions!

The digital landscape is overcluttered with literally tens of thousands of pet products and it's now very costly to get any share of voice online.

At the Dog Lovers Festival your brands will stand-out, and a human presence will help support your digital campaigns as you will be seen by those hard-to-reach 'early adopters' and 'word-of-mouth spreaders' in the dog community.

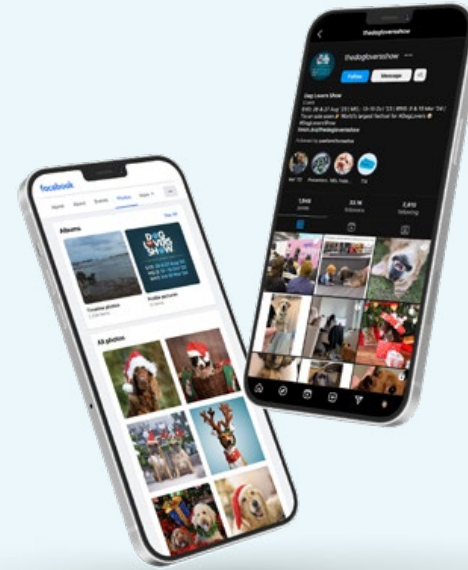

You will also gain a deeper understanding of the perceptions and values of the most passionate dog owners right now, and it's a great way to demonstrate that the team behind your business is just as passionate about dogs as they are.

Marketing/PR Campaign

The marketing campaign is developed with one sole focus: to inspire thousands of passionate dog owners and soon to be dog owners to attend the Festival.

We have successfully marketed some of the largest public events ever staged in Australia and overseas and have the expertise to attract the audience your business needs to reach, and lots of them!

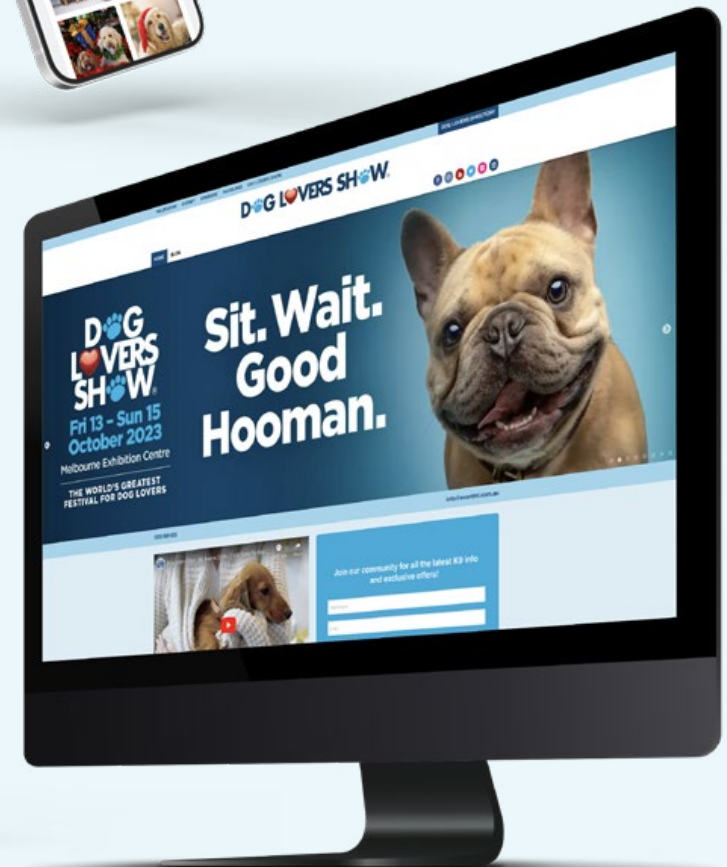

How do we get them to the Festival?

- Visually arresting, high-impact creative design that inspires dog lovers to attend.
- **Radio** – saturation campaign across leading FM/AM stations with live reads and listener promotions.
- **Catch-up (BVOD) TV** on targeted pet and dog related programs that also re-markets our own data.

Marketing/ PR Campaign

- **Outdoor** – large format billboards on major arterials in/out of suburbs with high dog ownership.
- Paid campaigns across **Social Media**, **Google AdWords** and various **3rd party websites** targeting a range of key audiences especially dog owners, animal lovers, those in-market for a new dog and households interested in adoption.
- Extensive **programmatic display campaigns** across major news media websites and pet industry-based sites.
- **Festival promotions** to our own extensive Facebook and Instagram audiences.
- **EDM campaigns** to our extensive database of previous visitors, door prize entrants, our VIP Loyalty Club members and various 3rd party databases.
- **Massive PR campaign** led by leading agency TidePR, for months leading into each show targeting national, metro and regional outlets including press, lifestyle and digital media.
- Media and influencer partnerships to hit key audiences.
- Range of incentive-based **ticket promotions** to important segments.
- Various promotions with specialist pet retailers and vets.
- Promotions via the extensive marketing platforms of our Exhibitors, Sponsors, Breed Clubs, Adoption Groups and Presenters with incentives to encourage promotional support.
- **B2B trade campaign** to attract pet industry professionals via free registration.

Don't just take our word for it...

Loved the Dog show; it was such a great event for networking with other stallholders and meeting new customers. People came to the event to see their favourite brands in action – we will definitely be back.

- Maxine from Hemp Collective

As the Arena Sponsor, VitaPet received enormous brand exposure across mainstream media, social/digital channels and face-to-face at the show. The shows are a lot of fun but also an exceptional platform to drive retail sales, meet with trade clients, build valuable data and engage with new and existing customers.

- Anna Wong, Senior Brand Manager, VitaPet

I loved every minute participating at the 2022 Melbourne Dog Lover's Show. Professionally run, and such a fun event to exhibit at – I had a smile on my face the entire time. Wanted to take home every dog that passed by!

- Karen from Vertigo Designs

We just love the Dog Lovers Show. Our business has been exhibiting each year since its inception and this has become our only marketing exercise. With new innovations, the Show just keeps getting better and better. We wouldn't miss it!

- Kim from Blue the Grey

Really happy with our experience at the Dog Lovers Show in Melbourne this year. We blitzed our previous sales from 2019 and exceeded our goals for this year by almost \$5k. Big thanks!

- Tatum from Pupstyle

The Dog Lovers Show is worth travelling interstate to attend. There was a variety of different products for every dog and their human. Great presentations, informative and something for everyone.

- Bronwyn Johnston from Adelaide, SA
